

## No. CMERI/BIS/SI/2022

Applications are invited for Summer Internship at CSIR–CMERI in 2022 from students who would be completing 6<sup>th</sup> Semester of their B.E/B. Tech courses by May/June, 2022 at IITs, NITs and other reputed Universities and Engineering Colleges of the country in the following disciplines:

<b>Agricultural Engineering</b>	<b>Biotechnology</b>	<b>Biochemical Engineering</b>
<b>Chemical Engineering</b>	<b>Civil Engineering</b>	<b>Computer Science &amp; Engineering</b>
<b>Electrical Engineering</b>	<b>Electrical &amp; Electronics Engineering</b>	<b>Electronics &amp; Communications Engineering</b>
<b>Electronics &amp; Instrumentation</b>	<b>Environmental Engineering</b>	<b>Information Technology</b>
<b>Manufacturing / Production Engineering / Technology</b>	<b>Mechanical Engineering</b>	<b>Mechatronics Engineering</b>
<b>Metallurgy &amp; Materials Engineering</b>		

To offer opportunities to eligible and interested students to participate in the ongoing research activities of the Institute for obtaining practical research experience in the field of Mechanical Engineering and allied areas.

Summer Internship : 4 to 8 weeks during Summer Vacation (May to July of 2022)

Like previous years, **the total number of students**, who will be inducted as (i) Summer Interns, (ii) as Student Fellows deputed by AcSIR under the “AcSIR-Dr. APJ Abdul Kalam Summer Training Program” scheme and also (iii) as Summer Research Fellows deputed through the National Science Academies (INSA, IAS and NASI) - will be decided as per the requirements under different ongoing projects in the R&D Groups of the Institute.

Selection of interns from the applications received will be done on the basis of fulfillment of Eligibility Criteria as described below and further screening process.

**Eligibility criteria:**

- B.E/B. Tech students are eligible for Summer Internship programme after completion of their 6<sup>th</sup> Semester in any of the disciplines mentioned above.
- The students deputed by AcSIR under the “AcSIR-Dr. APJ Abdul Kalam Summer Training Program” scheme will be accepted without any screening.
- Also, for students who will be deputed through the National Science Academies (INSA, IAS and NASI), no screening criteria have been kept, since screening already would have been done at their end.

**However, for other applicants, the screening criteria are as follows:-**

- The student must be studying in a recognized College/University/Institute with a stream relevant to the R & D area of CSIR–CMERI, as mentioned above.
- He/she should have passed both his/her board examinations of class X and class XII with satisfactory marks, preferably securing **1<sup>st</sup> Division/Class**. In addition, his/her CGPA up to the last exam passed in the BE/B Tech course of study has to be **at least 7.5**. The applicants must produce self-certified copies of these documents along with their applications.

**Application procedure:**

- Applications are to be submitted by post or by hand delivery to the address given below. The envelope containing the application along with the documents as mentioned below is to be superscribed as **SUMMER INTERNSHIP PROGRAMME at CSIR–CMERI, 2022**.

**The Head,  
Department for Business Innovation and Skills  
Academic Complex (1st Floor)  
CSIR – Central Mechanical Engineering Research Institute  
Mahatma Gandhi Avenue  
P.O. Durgapur-9  
Dist. Paschim Bardhaman; West Bengal  
PIN – 713209**

**The following documents must be submitted with the application –**

- Original copy of the Recommendation Letter from the Head of the Institution / Head of the Department / Training and Placement Officer mentioning their aspirations and the date & period of proposed Summer Internship at CSIR–CMERI.
- Self certified copies of mark sheets/grade cards and certificates of all examinations passed (starting from board exam of class X)
- Bio-Data (as per enclosed format shown in **ANNEXURE–I**)
- Discipline(s) in which internship is sought. [**From the disciplines specified in page 1**]

**Important:**

- No phone call/email/personal query will be entertained in this regard. Students and their Guardians are requested not to contact over phone or visit personally regarding their application and selection.
- Application made only by the student/candidate without any recommendation from his institution (Head of Institution, Head of Department or TPO) **will be summarily rejected.**

**When to Apply:**

Applications must be received by the **Head, Department for Business Innovation and Skills at CSIR–CMERI, Durgapur** latest by **March 31, 2022**. The list of selected candidates (including wait listed ones, if any) will be notified on CSIR–CMERI website by **last week of April, 2022**.

**Internship Fee:**

The 2022 Summer Internship programme, based on the prevalent pandemic situation, may either be held via **online or physical mode**. A non-refundable amount of **Rs.2,000/- for online or Rs.5,000/- for offline** is to be deposited (by NEFT or other mode of bank Transfer) by the selected candidates as the internship Fee within the time period mentioned in the notification (to be displayed on the CSIR-CMERI website by the last week of April 2022). The Bank Account details of CSIR-CMERI will also be provided in the said notification. On successful completion of the internship, all the interns will be provided with Certificates.

Accommodation may be arranged only for a very limited number of out station candidates on payment basis, if available and request is made well in advance along with their applications. Other students will have to make their own arrangements of stay. The decision of the concerned authority will be final and binding in this regard.

NB: Director, CSIR–CMERI reserves the right to accept or reject any application for Summer Internship in any specific discipline, or increase/decrease the number of vacancies in any year due to internal reasons and ongoing programme/activities of the Institute. No further correspondence in this regard will be entertained.

(Dr. Anjali Chatterjee)
