### NOTES :

- Bid evaluation and Price Comparison shall be done schedule-wise and the Lowest evaluated responsive bidder for each schedule shall be determined on the lowest landed price in the respective schedule.
- The Delivery period of 30 days shall have to be strictly complied by the successful bidder failing which the Purchase Order / Contract shall be treated as cancelled. Bidder shall offer his Quotation/Bid only after ascertaining whether he has the requisite capacity and capability to meet the delivery schedule. No request for extension of delivery period shall be entertained under any circumstances. Bids shall be liable to be rejected in case a bidder indicates a delivery period of more than 30 days.
- Qualification Requirement shall be applicable in the tendering process if so indicated in the Chapter on Technical Specifications.

BoQ is OK.
