The Engineer will examine the bids to determine whether the document are complete, whether the requisite bid security has been remitted to the required value and in the manner prescribed whether the documents have been properly signed / attested and ascertained whether the bids are generally in order.

During the opening of bids, the Engineer will announce the names of the bidders, written notification of bid modifications if any, the compliance with reference to the remittance of bid security and such other details as the employer may consider appropriate.

Sd/ xx

Contractor:

Executive Engineer:TWAD

**18. Clarification of Bids**

For any clarification in the bid and for negotiations the bidder shall attend the office of the Executive Engineer, RWS Division, Kanchipuram Whenever he is called upon to do so.

**19. Responsiveness of the Bids**

The bids shall be treated as substantively responsive based on the satisfaction of the required capacity, capability and financial resources. For the purpose the bid should conform to all terms, conditions and specification of the bidding documents without material deviation or reservation.

The Executive Engineer reserves the right to determine and evaluate the bids with regard to their response substantively.

If a bid in the opinion of the Executive Engineer is found to be substantially not responsive, the Executive Engineer reserves the right to reject that bid and may not subsequently be made responsive by the bidder by carrying out corrections or withdrawal of the non-conforming deviation or reservation. However the decision of the employer shall be final and binding in all these matters.

**20. Evaluation and comparison of Bids**

The Executive Engineer will evaluate and compare only the bids which are determined to be substantively responsive with reference to the requirements and parameters fixed for qualification.

The value based on the excess / less percentage quoted in the bid will only be taken into account for deciding the successful bidder.

**21. Right to accept or reject the bids**

The Executive Engineer reserves the right to accept or reject any or all the bids without assigning any reasons therefore. Under such circumstances, the Engineer will neither be under any obligation to inform the bidder or the bidders of the grounds for the action of the Engineer nor will be responsible for any liability incurred by the bidder on this account.

**22 Notification of Award**

The Engineer will promptly inform the successful bidder the award of contract before the expiry of the validity period and in the case of extended periods, before the expiry of the extended periods. The award of the contract will be in the writing and in the event of award of contract being informed through cable, the same shall be confirmed through a written communication by the Engineer. The award of contract shall be in the form of work order and shall notify the total value at which the Engineer has accepted the works to be executed. The notification of the award will constitute the formation of the contract.

Sd/ xx

Contractor:

Executive Engineer: TWAD

**23 Performance Security (Security Deposit) and Agreement**

The successful bidder on getting the work order from the Engineer shall remit the performance security at 2% of the value of contract in the form of NSC / Post Office saving deposit A/c pledged in favour of the Executive Engineer, TWAD Board within 15 days from the date of work order and promptly enter into an agreement with the Executive Engineer in the form specified for this purpose. The agreement should be executed within 15 days from the work order in the non judicial stamp paper of value not less than Rs. 100.00 purchased in the name of the contractor at his cost. The remittance of the required security deposit in the proper form and the conclusion of agreement shall constitute the formal fulfillment of the contract.

**FOR TENDERS RECEIVED WITH MINUS PERCENTAGE**

- a) For tenders received with 15 to 20% less than the departmental value, the successful tenderer should remit 50% of the difference between the departmental value and the value of tender as additional security deposit.
- b) For tenders received with 5% to 15% less than the departmental value the successful tenderer should remit additionally 2% towards security deposit on departmental value.

**24. Forfeiture of Bid Security (Earnest Money Deposit)**

In the event of the successful bidder, upon receipt of work order should respond with the remittance of performance security and execution of the agreement within a maximum of 30 days from the date of work order, failure of which will be liable for the forfeiture of the bid security remitted by the bidder along with the bid documents.

**SCHEDULE-C**  
**RATE OF PROGRESS**

---

The seventh day from the date of issue of work order shall be reckoned as the start date of contract period.

The date of acceptance of agreement.....

The date of handing over of site.....

The entire project must be completed in all respects within one month.

The rate of progress for each component covered in the contract shall be as in the following schedule.

Sl. No.	Name of Component	Period from commencement	Completion in term of %age
1	All works	Three month	100 %
2	After completion of all works Maintenance period one month at free of cost		

Contractor:

Sd/---  
Executive Engineer:TWAD

## **SCHEDULE-D**

### **MATERIALS**

---

All the materials required for the work should be arranged by the contractor himself at his cost. He shall be responsible for transport of all materials to site of work, storing properly at site of work and for the safe custody of all materials including all incidental and handing charges.

The contractor shall ensure that the materials procured conform to the relevant BIS specification set out in the bid documents and also good quality. If the material is not covered by BIS they should confirm to the departmental specifications and departmental requirements.

The contractor shall arrange at his cost for the inspection of the materials at the manufacturing place or at other places by the departmental officer wherever necessary. The contractor shall provide all the assistance necessary including instruments, machineries and materials that are normally required for carrying out the testing/measuring the quality/quantity of the materials and workmanship. Any materials rejected after testing by the Engineer-in-charge or his respective should not be used on the works.

The Engineer incharge shall have the right to order the removal of such materials which in his opinion are substandard stipulating a time limit for the removal of the same and replacement with quality materials.

#### **Supply by Board**

If in case any of the materials required for the work are available with the board, the Executive Engineer incharge of the work shall have discretion to issue such materials to the contractor for use in the work and such of these items under the agreement shall be treated as authorized omission from the scope of the contract.

Contractor:

Sd/---  
Executive Engineer:TWAD

**SCHEDULE – E****TECHNICAL STAFF TO BE EMPLOYED**

The contractor shall employ the following technical staff as per the prescribed rules.

Name of the member of technical Staff to be employed :  
Qualification :

The details of value, scale and minimum qualification prescribed for the employment of technical staff, the rate of penalty for the failure on the part of the contractor to employ the technical staff for the work etc. are as follows.

Sl. No.	Value of Contract	Scale & Minimum Qualification prescribed for the employment of technical staff	Rate of penalty
1	Above Rs. 1.00 Lakh & upto Rs. 5.00 Lakh	One LCE / DCE / LSE or retired JE / LSE (Civil) of TWAD (or) other Engineering Department	Rs. 2,000/- per month
2.	Above Rs. 5.00 Lakhs & upto Rs. 10.00 Lakhs	One B.E., (Civil) or equivalent degree holder with atleast one year experience (or) other Engg. Dept. (or) retired AEE of TWAD	Rs. 5,000/- per month
3.	Above Rs. 10.00 Lakhs & upto Rs. 25.00 Lakhs	One B.E., (Civil) or equivalent Engineering Department holder with atleast three years experience (or) retired AEE of TWAD or other Engg. Dept. in addition to one LCE / DCE / LSE holder	Rs. 7,000/- per month (Degree Rs. 5,000/- Diploma Rs. 2,000/-
4	Above Rs. 25.00 Lakhs	One B.E., (Civil) or equivalent Engineering Degree holder with atleast three years experience (or) retired AEE to TWAD or other Engg. Dept. in addition to two LCE / DCE / LSE holder	Rs. 9,000/- per month (Degree Rs. 5,000/-, Diploma Rs. 2,000/-

If the contractor fails to employ the technical staff to the technical departmental requirements, the contractor is liable to pay the penalty as indicated above during the period of such non employment of technical staff.

Executive Engineer:TWAD

## SCHEDULE – F

### PAYMENT SCHEDULE

1. **Infiltration Well:**

After casting curb	Upto 15%
After sinking of well upto 50% of the required depth	Upto 50%
After completion of the entire works	Upto 95%
After completion of the maintenance period of the scheme as a whole	Balance 5%
  
2. **Openwell:**

(Applicable only if the diameter of the well is atleast 5 meters)

After completion upto average GL	Upto 50%
After completion of the entire works	Upto 95%
After completion of the maintenance period of the scheme as a whole	Balance 5%
  
3. **Pumping Main:**

After supplying, laying, jointing and testing of pipeline for every 1 KM and part thereof entire length whichever is less	Upto 70% of the value of work done
After satisfactory commissioning of the entire length of main	Upto 95%
After completion of the Maintenance period of the scheme as a whole	Balance 5%
  
4. **Sump:**

After completion upto floor slab	Upto 30%
After completion upto roof slab	Upto 70%
After completion of the entire work including pipe connection etc.	Upto 95%
After completion of the Maintenance period of the scheme as a whole	Balance 5%
  
5. **Service Reservoir:**

After completion of work upto average GL	Upto 25%
After completion upto floor slab	Upto 75%
After completion of the entire works including pipe connection etc. and issue of water tightness certificate by the Engineer-in-charge	Upto 95%
After completion of the Maintenance period of the scheme as a whole	Balance 5%

Sd/--

Contractor:

Executive Engineer:TWAD

6. **Distribution System:**  
 After supplying, laying, jointing and testing of pipe line for every 1 KM and part thereof or entire length whichever is less Upto 70% of the value of work done  
 After satisfactory commissioning of the entire length of main Upto 95%  
 After completion of the Maintenance period of the scheme as a whole Balance 5%
7. **Valve Pits and Public Fountains:**  
 After completion of entire works Upto 95%  
 After completion of the Maintenance period of the scheme as a whole Balance 5%
8. **Pumping Plant:**  
 After receipt of pump, motor, valves, cable, control panel, transformer at site Upto 75%  
 After erection of pump, motor and accessories Upto 85%  
 After commissioning of the Pumping Plant and testing Upto 95%  
 After completion of the Maintenance period of the scheme as a whole Balance 5%
9. **Pumphoom:**  
 After completion upto plinth level Upto 35%  
 After completion upto roof slab Upto 70%  
 After completion of the entire work Upto 95%  
 After completion of the Maintenance period of the scheme as a whole Balance 5%
10. **Other items of work:**  
 On completion of the entire job Upto 95%  
 After completion of the Maintenance period of the scheme as a whole Balance 5%
11. **EB connection and power supply:**  
 The power supply connection from the TNEB has to be obtained by the contractor himself and the charges thereon shall be borne by the contractor. However, these charges shall be reimbursed to the contractor on submission of necessary receipts in original issued by EB.

Sd/--

Contractor:

Executive Engineer:TWAD

12. **Maintenance Charges: Free of cost**

**Note:**

Maintenance of the Scheme

The period of maintenance for scheme are as follows:

i) Individual power pump schemes	One Month, from the date of commissioning
ii) CWSS scheme upto a value of Rs.25 Lakhs	2 months from the date of commissioning
iii) CWSS scheme of value more than Rs. 25 Lakhs and upto Rs. 50 Lakhs	3 months from the date of commissioning

During the maintenance period, if any defects either on material or work are noticed, the same should be attended to free of cost by the contract. No extra payment on this account will be made as a separate item for maintenance of the scheme for the specified period included in the schedule A. During the maintenance period, TWAD Board will bear the electricity charges. Charges such as repairs and renewals if any, consumable like oil for filling transformer, starters, alum / bleaching powder, diesel etc. have to be borne by the contractor. During the maintenance period, the contractor at his cost has to train the staff to be employed by the Board.

**Note:**

- The percentage of payment mentioned above are with reference to the total value of each component as per the agreement entered into by the firm / contractor except pumping main and distribution system.
- The payment shall be made for each component as per the actual measurements upto the percentage mentioned above for the stage of progress of each component.
- Payments shall become eligible only for finished items of work in all respects.

Sd/--

Contractor:

Executive Engineer:TWAD

**Deductions from bills:**

- ✓ 5% of the value of every running bill shall be retained by the board as additional performance security (WHA).
- ✓ Deduction of income tax shall be made at the prevailing rate as may be specified by the income tax department from the bills from time to time.
- ✓ Deduction of source towards sales tax shall be made at 2% for civil works contract and 4% for all other works contract as per Tamilnadu General Sales Tax (Fifth Amendment) Act (Act No. 15 of 1999).
- ✓ As per G.O.Ms.No. 295/ Labour and Employment (12) / Department / Dt.17.12.2013.Towards contribution of Fund for the benefit of manual workers employed In the construction works an amount equivalent to one percent of total estimated cost of the construction work proposed will be paid by the employer direct to the respective Welfare Board.

Contractor:

**Sd/--**  
Executive Engineer:TWAD

## **SPECIAL CONDITIONS OF CONTRACT**

### **1) Royalty Charges**

Except where otherwise stated, the contractor shall pay all seignorage and other royalties rent and other payments or compensation, if any for getting stone, sand, gravel day or other materials required for the work. The contractor is not eligible for any payment in this regard from the Board.

### **2) Earthwork Excavation**

The bidder should be carefully inspect the site to access the prevalence of differing soil classifications and quote his rate for trench excavations that are likely to be encountered and no extra will be paid for excavation of trench on account of any variations in the classifications of soil met with during actual execution.

### **3) Penalty for the Slow Progress**

If the contractor fails to maintain the rate of progress of the work as stipulated in Schedule C, the Engineer shall have the power to impose as penalty of such amount as he may deemed fit for every day that the work remains uncommenced or unfinished. However total amount of penalty imposed during the stipulated period of completion of the work shall not exceed 5% of the contract value

The programme schedule drawn for the project entrusted on turnkey basis, should be kept up by the firm / contractor without any slippage. The Executive Engineer concerned shall monitor properly the execution of the work with reference to the programme schedule stipulated. The Executive Engineer on identification of any defective construction or any on the programme schedule in any of the components shall issue a show cause notice either by RPAD or through personal service to the firm / contractor for rectification of the defective construction / slippage in the programme schedule giving 15 days time for furnishing the reasons therefore by the firm / contractor. In cases where the reasons adduced by the firm / contractor are not convincing, the penalty contemplated in the agreement condition shall be invoked. If the delay is due to reasons beyond the control of the contractor, the penalty need not be levied.

The penalty levied on the firm / contractor is however subject to modification at the discretion of the next higher authority for valied reasons which are to be recorded.

### **4) Liquidatd Damages**

If the contractor fails to complete the work or part thereof within the stipulated completion period, he shall be liable topay liquidated damages at Rs. 500 per day of delay for each incomplete part till the date of completion and handling over to the department. The amount of liquidated damages shall however be restricted to a maximum of 5% of the contract value. This is without prejudice to the right of the Engineer to terminate the contract treating time as essence of contract.

Contractor:

Sd/--  
Executive Engineer:TWAD

For imposing liquidated damages detailed show cause notice, shall be served on the defaulting firm / contractor either by RPAD or through personal service. The first notice shall be served allowing 15 days time to the firm / contractor for furnishing the reply by them. On expiry of 15 days time, from the date of the first notice, the second notice shall be served allowing 7 days time to the firm / contractor for furnishing the reply by them. On expiry of 7 days time from date of second notice third notice shall be served allowing 3 days time to the firm / contractor for furnishing the reply by them. On receipt of the reply, it shall be verified by the Engineer in charge and the liquidated damages clause shall be involved by issuing an explicit speaking order to the firm / contractor. Similarly the non receipt of any reply from the firm / contractor shall attract imposition of the liquidated damages clause automatically and in the case also, the liquidated damages shall be imposed by issuing an explicit speaking order to the firm / contractor.

#### **5) Execution of work by the contractor**

The contractor shall execute the whole and every part of the work in the most substantial and work man like manner and both as regards materials and every other respect in strict accordance with specificatio. The contractor shall also confirm exactly fully and faithfully to the designs drawing and instructions in writing relating to the work signed by the Engineer incharges. And completion of the entire work as per the specifications of the Engineer incharge, the contractor shall obtain the completion certificate from the Executive Engineer.

#### **6) Alternation to specification and design**

The Engineer incharge shall have the power to make any alternation or additions to the original specification, drawing, design and instructions that may appear to him to be necessary during the progress of work and the contractor shall bound to carry out the work in accordance with the instruction in this connection which may be given to him in writing signed by the Engineer incharge and such alternation shall not invalidate the contract and such works shall be carried out by the contractor on the same condition in all respects on which he agreed to do the main work. The rates for such additional works will be fixed by the Executive Engineer as per rules inforce.

#### **7) Contractor Liability**

During the period of 12 months from the date of completion as certified by the Executive Engineer the said work is found to be defective in any manner whatsoever, the contractor shall forthwith, on receipt of notice in that behalf from the Executive Engineer duly commence execution and completely carry out at his cost in every respect all the work that may be necessary for rectifying and setting right the defect specified therein strictly accordance and in the manner prescribed and under the supervision of the Engineer incharge.

Contractor:

Sd/--  
Executive Engineer:TWAD

In the event of the contractor failing or neglecting to carry out the rectification work within the period prescribed therefore, in the said notice, the Engineer incharge will get the same executed and carried out departmentally or by any other agency at the risk and cost of the contractor. The contractor shall forthwith on demand, pay to the Board the amount of such costs, charges and expenses sustained or incurred by the Board of which the certificate of the Executive Engineer shall be final and binding on the contractor. If the contractor fails to pay the same on demand, the Board shall be entitled to deduct the same from any amount which may then be payable or become payable by the Board to the contractor, either in respect of the said work or any other work whatsoever or from the amount of Security Deposit.

#### **8) Withheld amount in Running Bill**

In addition to the initial security, an amount of 5% of the total value of each bill will be recovered as additional Security Deposit. The Security Deposit less any amount due to the Board and 2 ½ % out of the held amount shall be released in final bill which shall be prepared after the work is completed in all respect and after completion of the maintenance period.

Sd/--

Contractor:

Executive Engineer:TWAD

**PAYMENTS AND RETENTION:**

- a) In respect of pipe laying works and for the work where water tightness and soundness are not watched for more than 6 months, payments will be made to the contractor under the certificates to be issued at reasonably frequent intervals by the Engineer of a sum equal to 95% of the value of the finished work done by the contractor as so certified and the balance of 5% will be withheld and retained as security for the due fulfillment of the contract. Under the certificate to be issued by the Engineer on the completion of the entire work, the contractor will receive the final payment of all the money due or payable to him under or by virtue of contract except performance security and the retention amount equal to 2 ½ % of the total value of work done provided there is no recovery from or forfeiture by the contractor to be made. The amount withheld from the final bill will be retained under 'Deposits' and paid to the contractor together with Security Deposit after six months reckoned from the date of completion of work or as soon after the expiration of such period of six months as all defects shall have been made good accordingly to true intent and meaning here of whichever shall last happen. In the event the final bill remains unpaid even after the period of six months aforesaid the Engineer shall refund the Security Deposit and also the withheld amount on a separate bill if requested for by the contractor in writing. No certificate of Engineer shall be considered conclusive evidence as to the sufficiency of any work or materials or correctness from his liability to make good defects as provided by the contract. The contractor when applying for a certificate shall prepare a sufficient detailed bill based on the original figures of quantities and rates in the contract schedule to the satisfaction of the Engineer to enable the Engineer to check the claims and issue the certificate. The certificate as to such of the claims mentioned in the application as are allowed by the Engineer shall be issued within (14) fourteen days of the application. No application for a certificate shall be made within (14) fourteen days of a previous application. The amount to be withheld in each bill is 5%.
- b) In respect of building works RCC reservoir and other works where water tightness and soundness are to be watched for more than 6 months not withstanding the above clause, the retention amount of 2 ½ % from the final bill in respect of contract for original construction or original building works, construction of RCC reservoir works etc. Will be retained by the Engineer and paid to the contractor after a period of 24 months of satisfactory performance of the entire civil works, or soon after the expiry of such periods of 24 months as all defects shall have been made good according to the true intent and the meaning hereof which ever shall be later and on production of an indemnity bond for the above amount for a further period of three years beyond the above said two years to ensure structural stability.

Contractor:

Sd/--  
Executive Engineer:TWAD

- c) In addition to the without amount 40% of the amount of each bill of the contract shall be deducted and will be retained till the date of receipt of certificate of water tightness from the Executive Engineer, TWAD Board. The whole of the above sum together with any recovery from the payments already made to the contractor as may be assessed by the Executive Engineer shall be forfeited to the TWAD Board if the RCC reservoir develops structural defects or leaks, the above recovery shall be exclusive of the amount deposited towards Security Deposit. The fact of carrying out water tightness test should be recorded in the M.Book. The last part bill should be passed only after above certificate is issued. Further, the certificate of structural soundness is to be issued by the Executive Engineer after 6 months from the date of water tightness certificate an indemnity bond in lieu of the recovery of 40% in each bill in prescribed form in stamp paper for a value of Rs. 100.00 towards water tightness and structural stability of the reservoir / water retaining structure. The period of guarantee required by the contract shall be two years from the date of completion and handing over (with filling of water upto maximum water level in the case of service reservoir / OHT). if defects are noticed within the stipulated period of 24 months of satisfactory performance, the defects should be rectified by the contractor at his own cost and the performance period again shall be reckoned from the date of completion of the rectification of defects by the contractor. In the case of service reservoir / over head tanks and other water retaining structures during this period, structure under full working head of water shall show no sign of leakage. The test for water tightness should be arranged to be carried out and completed within 30 days from the date of intimation by the Engineer. The testing of the service reservoir / OHT and the other water retaining structures should be done by the contractor at his own cost inclusive of all necessary equipment water etc. complete. The tenderer shall be solely responsible for the accuracy of the design and the details of the structure. The test for the water tightness of the structure as well as materials of construction used shall be conducted in conformity with the standard specification as per IS 3370 (Part I) 1965 as mentioned from time to time and the other specifications as mentioned in the technical specification schedule.
- d) Income Tax shall be deducted at two (2) percent of the gross amount of each bill or at the ruling rates fixed by the Government of India from time to time.
- e) In the event of the death of insanity or insolvency or imprisonment of the contractor or where the contractor being a partnership firm becomes dissolved or being a Corporation goes into liquidation voluntary or otherwise, the contractor may at the opinion of the Engineer, be terminated by notice in writing posted at the site of the work and all accepted and acceptable works shall forthwith be measured up and paid for at the rates provided in the contract schedule where such apply or otherwise by the most recent schedules or rate approved by the competent authority to the person or person entitled to receive and give a discharge for the payment.

Contractor:

Sd/--  
Executive Engineer:TWAD

## **9. Recovery of money payable to the TWAD Board**

All losses, cost, damages and expenses and other money payable to the board by the contractor under any stipulation in the contract, may be retained out of any money due or which may subsequently become due from Board to the contractor under any contract or otherwise how so ever and in case such money then due or become due to the contractor by the Board shall be insufficient to pay such losses, cost, damages and other money payable to the TWAD Board by the contractor. It shall be lawful for the Engineer without any further consent on the part of the contractor, to sell or dispose of any or all the Government promissory notes for the securities deposited in the Board by the contractor as aforesaid and with and out of the proceeds of such sale, after payment of all expenses connected therewith or reimburse and pay to the Board all such losses, cost, damages and expenses and other money payable to the contractor, and in case such proceeds of sale of the said Government promising notes or securities shall be insufficient for such purpose then and in that case it shall be lawful for the Board to recover the residue thereof if necessary by legal proceedings and or by resorting to revenue recovery act against the contractor.

## **10. Foreclosure of works**

After the award of contract, if at any time the Engineer for any reason whatsoever does not require the whole or any parts of the works to be carried out shall give notice to this effect to the contractor. The contractor shall not have any claim towards compensation or whatsoever, on account of any profit or advantage which he might have derived from the execution of such works.

## **11. Risk Insurance**

The contractor may take risk insurance at his cost against loss or damages to the construction against unprecedented floods and other acts of god. The contractor will not be eligible for any payment by the Board on this account.

## **12. Forfeiture of Bid Security (EMD)**

The bid security shall be forfeited on the following grounds.

- In the case of bidder with drawing or modifying his bid during the period of validity.
- In the case of a successful bidder failing to furnish the prescribed performance Security Deposit within the stipulated time.
- In the case of successful bidder failing to enter into agreement within the stipulated time.
- In case of bidder severing the conditions after intimation of the acceptance of the bid.

Contractor:

Sd/--  
Executive Engineer:TWAD

**13. Forfeiture of performance security (Security Deposit)**

In case of the contractor, after award of work, failing to carry out the work in accordance with the specifications, terms and conditions of the contract leading to termination of contract, the performance security will be forfeited to the Board.

**14. Jurisdiction of Court**

In the event of any dispute arising between parties here to in respect of any of the matter comprised in this contract, the same shall be settled by a competent court having jurisdiction over the place where contract is awarded and agreement is concluded and by no other court.

Contractor:

Sd/--  
Executive Engineer:TWAD
